.004 PLAIN BAGS

These heavy duty bags are popular for their many applications. Widely used where durability is the prime requirement, but transparency and clarity are also important. Durable enough for hardware items, but flexible enough for food uses.

DOOR KNOB HANGING BAGS

Our doorknob bags are made of top quality polyethylene, strong, yet lightweight, and high clarity. They have a 1-3/4" hole punched 1" below the top of the bag so they can hang easily on any doorknob. The bags are subpackaged in units of 100 stapled to a cardboard header card, and are perforated at the top so they can be easily separated one at a time.

.002 (CLEAR LINE) RECLOSABLE ZIPPER BAGS

.002 Clear line zipper reclosable bags are suited for most general applications where the bag is to be reclosed and reused. The zippers are easy to open and close, and they seal out dust, moisture, etc. These bags contain no contaminants and are completely safe for food products. They are made of high clarity materials for easy identification of their contents.

JIFFY PADDED MAILING BAGS

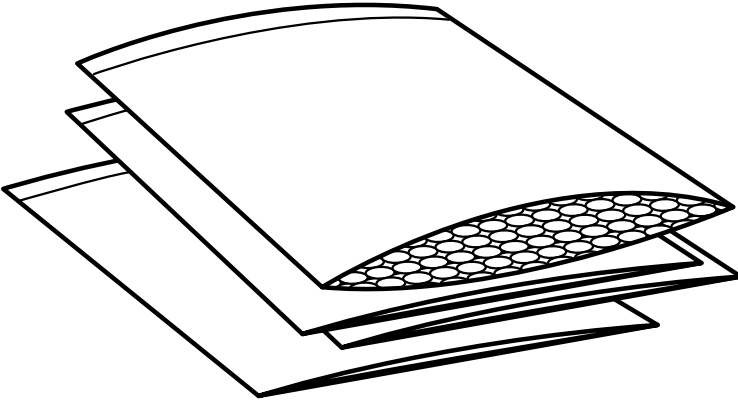

JIFFY Padded mailing bags are double walled to protect merchandise in shipment. Shredded paper is used as padding between the walls to absorb shocks and drops. The bags are strong in construction yet light in weight to save greatly on package costs over corrugated boxes. Excellent for books, parts, office supplies, tape cartridges, etc

JIFFY LITE BUBBLE CUSHIONED MAILERS

BUBBLE LITE bags protect merchandise in shipment much the same as Jiffy Padded mailers do except for the fact that they save even more on postage since they weigh only about 1/3 as much as a similar Jiffy Bag. They are constructed with an outer layer of heavy duty kraft paper and an inner layer of 3/16" polyethylene air bubble material. Both Jiffy Padded Mailers and Bubble Lite bags are approved by U.P.S. and the U.S. Postal Service.

TWIN-TUFF POLY LINERS

Twin-Tuff poly liners are of exceptionally high quality yet priced competitively with “bargain brand” liners. All bags are of tubular construction with no side seals or seams to split or tear. These bags have greater tensile strength, tear resistance, elongation, and puncture resistance because they are manufactured from a minimum of 70% linear low density polyethylene with the balance of the bag being virgin liner grade low density polyethylene. There are no reprocessed or recycled materials in these bags. Our wide range of sizes covers almost every can liner requirement. However, we welcome the opportunity to quote on your special bag requirements. Please give us a call!

TWIN-TUFF CONVENIENCE PACKS

POLY LINERS ON ROLLS IN DISPENSER BOXES

Convenience Packs are the same Twin-Tuff Liners only packaged in easy-to-handle dispenser boxes. They offer advantages of low unit cost, color coded labels, and the boxes are packed on a core for rack storage and handling. Since fewer bags are on these rolls than in the cases, they are easier to lift. Each roll weighs less than 12 pounds. Dispenser packs also help reduce pilferage and waste. Bags are the same Twin Tuff high quality.

HEAT SEALERS

IMPULSE SEALERS

Impulse Scissor type heat sealers are available with 4", 8", 12", or 16" sealing bars. They are low cost and very trouble free. You can seal any thickness of poly from 1/2 mil to 16 mil and obtain a perfect seal every time, since they are completely adjustable. They just plug in, so no warm up time is necessary, and have instant cool down to prevent injury. All sealers have a 60 day warranty by A.P.S., so if your sealer should fail in this period of time, just return it to us for immediate repair or replacement. Note: Since heat wires and teflons can be damaged easily thru misuse, they are NOT covered under the 60 day warranty.

4" Sealer	\$ 52.50	Heat Wire	\$2.75	Teflon Cover	\$2.75
8" Sealer	\$ 79.95	Heat Wire	\$3.75	Teflon Cover	\$3.75
12" Sealer	\$129.95	Heat Wire	\$4.95	Teflon Cover	\$4.95
16" Sealer	\$155.95	Heat Wire	\$5.95	Teflon Cover	\$5.95

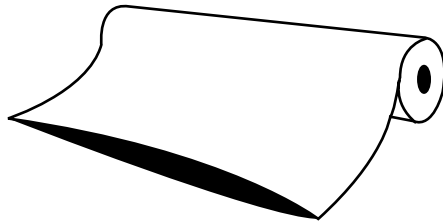

PEDESTAL TYPE FOOT OPERATED SEALERS

Free standing floor model sealers. Heavy, commercial duty foot operated (mechanical linkage) with sealing bar lengths of 12", 18", 24", or 28". Adjustable electronic timer automatically presets the welding time. Foot pressure clamps the film, welds and cools the seal. For safety, the temperature is confined only to the sealing area and is produced only during the sealing time.

12" Pedestal Sealer	\$299.00	Heat Wire	\$4.95	Teflon Roll	\$11.95
18" Pedestal Sealer	\$349.00	Heat Wire	\$6.95	Teflon Roll	\$15.95
24" Pedestal Sealer	\$399.00	Heat Wire	\$8.95	Teflon Roll	\$19.95

LAYFLAT POLYETHYLENE TUBING

Layflat polyethylene tubing is available in many sizes and gauges. It is an economical way to package or enclose items of almost any shape or length. Layflat poly tubing comes on rolls and can be cut to your exact size requirements with a scissors or knife, drawn over the object, and then the ends can be sealed like a poly bag, i.e. with twist ties, a heat seal, staples, tape, etc. This product is ideal where you have the same width but various lengths. TO DETERMINE THE LAYFLAT WIDTH REQUIRED, TAKE THE DIAMETER OF THE OBJECT AT THE WIDEST POINT AND MULTIPLY BY 1.57. THEN ROUND UP TO THE NEXT LARGEST TUBING SIZE. Add an inch or two if a loose fit is desired, or if you want the item to slide easily into the tubing.

POLYETHYLENE CONSTRUCTION FILM

Poly film is versatile, convenient, and economical to use. In the construction industry it can be used for vapor barrier, concrete curing covers, enclosure film, equipment and material covering, pond liners, etc. Agricultural uses include silage and haystack covers, machinery covers, tarpaulins, and fumigation covers. All our poly sheeting conforms to voluntary product specification PS 17-69 and Federal Spec. LP-378d.

General Information

TERMS & CONDITIONS:

We accept Visa, MasterCard, American Express and Checks. We will invoice on a Net 30 day basis, open account with approved credit. Past due invoices subject to 1.5% per month service charge. All prices subject to change without notice.

SHIPMENT:

All shipments are made via UPS or Motor Freight, whichever is most economical, so please include your street address (no P.O. Box numbers) when ordering. Shipping costs will be added to your bill.

QUALITY GUARANTEE:

All merchandise is guaranteed to be of the highest quality, and we will accept your return for credit or exchange if notified within 10 days of receipt. This unconditional guaranteed applies to quality defects only.

RETURNS:

No unauthorized returns will be accepted. Contact us in advance if you wish to return something. We cannot be responsible for customer ordering errors, delays by freight companies, etc., so please order carefully and well in advance. All returns will be subject to a 20% restocking charge (Minimum \$5.00) and some bags cannot be returned such as food bags, custom bags, printed bags, etc. Absolutely no returns will be accepted after 30 days.

MINNESOTA SALES TAX:

6 1/2% Minnesota Sales Tax will be added to all orders shipped within the State of Minnesota unless we have your signed exemption certificate on file. Your tax number alone is NOT SUFFICIENT to exempt you from paying sales tax. Please contact us in advance for certificates if you need them, or if you have any questions regarding sales tax.

SPECIAL SIZES, PRINTED BAGS, ETC.:

If you do not see the size you want, please call for a quotation.

Thanks for considering us! We appreciate your business
